Defense System for your plants!

AzaSol™ WATER SOLUBLE AZADIRACHTIN INSECTICIDE

Active Ingredients:
Azadirachtin 6.00%

Pest Control: AzaSol controls pests such as whiteflies, thrips, aphids, caterpillars, leafhoppers, mealybugs, scale, flies and many more.

Eco-Mite Plus™ BOTANICAL INSECTICIDE MITICIDE

Active Ingredients:*

Rosemary Oil 7.5%
Peppermint Oil 2.5%
Cottonseed Oil 2.5%

Pest Control: Eco-Mite Plus controls phytophagous mites, eggs and nymphs and other piercing sucking insects, including aphids, mealybugs, scale crawlers, thrips, and whiteflies. Kills on contact.

Eco-PM™ BOTANICAL FUNGICIDE

Active Ingredients:*

Thyme..... 1.26%
Clove Oil 0.06%

Pest Control: Eco-PM controls diseases such as botrytis gray mold, powdery mildews, and phytophthora late blight on common garden and vegetable plants and vines. It controls black spot on roses and anthracnose, rust, and powdery mildews on garden ornamentals.
